Race Comment

Tricky race. After scratching QUALITY ASSET comes short at the odds. Breed handles mile and will get suck run from the gate with in-form jockey. TINTINWIN has to make the step up from midweeks - they didn't go quick that race last start and had small margin to Valley of Dreams. JACK THE LAD goes up 300m in distance which is concern when didn't look right yard.

Race Comment

YOUNGBLOOD will prove fitter for the run last time - chance - race on pace here. SAYL is going good and if the track is a little off on the inside as we expect then will be running on hard. ISABELLA'S SPRING is going good but is always a watch from the yard because she can get very stirred up at times.

Race Comment

Hardest test for YISKA so far - wide gate, big field and can be slow away with speed drawn inside. Nice horse but third up first prep looks few things against. We were on ACCEBER last start - drifted big time and run was full of credit, on the quick back up here with low gate up in distance - look out! I worry about BOHEMIAN DAISY at the distance. CLAIRVUE MOLLY has a stack of ability but gate an issue. BEAU WITNESS AND JOHNNY DASH the roughies.

Looks a good amount of speed here. DELEKO ran them into the ground over 1000m in good time and could do the same here, is a progressive sprinter. SIR WARWICK has a tricky gate with the claimer. MASS DESTRUCTION and TAHITIAN DANCER will be the two charging late down the middle. SHE CAN SING and KISUKANO are both good chances but under the odds for mine.

Cracking race. PRINCE OF BOOM probably won't restrain and GLISTENING is very quick so those two will charge to the first bend for supremacy. Both have quality. SHAQUERO gets the gun run behind them. ALPINE EDGE needs to take a class jump here but gets map favours. INGRATIATING gets his chance but has a habit of turning it up. STARTANTES will get a LONG way back but the group 1 form speaks for itself. The Gollan pair look unders.

QUANTUM MECHANIC wasn't suited wet track but dry here, will be powering home. DERULO has some hope but the 1600m is a concern. KUKERACHA will give them a start and may need further than this. Even SEAT OF POWER is not hopeless here at good odds.

Race Comment

There looks good speed here and I'm not a big fan of the ULYSSES form line at all. I think BIGBOYROY might be vulnerable second up with the weight so time to play. DR WHY NOT copped bad checke last start - is a nice horse be there on speed a long way and has upside. BAANONE and NEVER NO MORE are the genuine 1350m horses and will be suited by the good tempo.
